## HEAR THE **UNTOLD STORY** *of the women who launched the modern computer age*

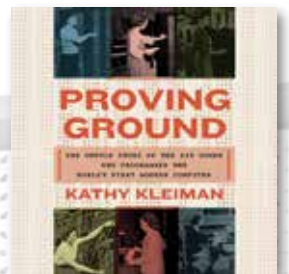

Over the course of a decade, author Kathy Kleiman recorded extensive interviews with four of the original six ENIAC programmers about their pioneering work. **PROVING GROUND** restores these women to their rightful place as technological revolutionaries.

*Kleiman shares their stories on November 30, 2022, 6:30 p.m., at the Discovery Center Community Forum. Arrive early and meet the author. Get your book signed before or after the presentation.*
